

## **Ocugen, Inc. to Present at Upcoming H.C. Wainwright Bioconnect Conference**

January 6, 2022

MALVERN, Pa., Jan. 06, 2022 (GLOBE NEWSWIRE) -- [Ocugen, Inc.](#) (NASDAQ: OCGN), a biopharmaceutical company focused on discovering, developing, and commercializing gene therapies to cure blindness diseases and developing a vaccine to fight COVID-19, today announced that it will be participating in H.C. Wainwright's Bioconnect Conference taking place next week on January 10-13, 2022.

Dr. Shankar Musunuri, Chairman, CEO, and Co-Founder will virtually present on Monday, January 10, 2022. He will provide an update on COVAXIN™, the investigational COVID-19 vaccine the company is co-developing with Bharat Biotech and is currently under review with the U.S. Food and Drug Administration and Health Canada. He will also present information about Ocugen's breakthrough modifier gene therapy platform and its flagship asset, OCU400, which begins Phase 1/2 clinical trials in Q1 2022.

### **H.C. Wainwright Bioconnect Conference**

**Date/Time:** Presentation available on-demand starting at 9:30 a.m. Eastern Time (UPDATED) on January 10, 2022

**Registration link:** <https://journey.ct.events/view/c40afb93-b2a5-46fc-bfbd-ff8d7abd0d43>

### **About Ocugen, Inc.**

Ocugen, Inc. is a biopharmaceutical company focused on discovering, developing, and commercializing gene therapies to cure blindness diseases and developing a vaccine to save lives from COVID-19. Our breakthrough modifier gene therapy platform has the potential to treat multiple retinal diseases with one drug — "one to many," and our novel biologic product candidate aims to offer better therapy to patients with underserved diseases such as wet age-related macular degeneration, diabetic macular edema, and diabetic retinopathy. We are co-developing Bharat Biotech's COVAXIN™ vaccine candidate for COVID-19 in the U.S. and Canadian markets. For more information, please visit [www.ocugen.com](http://www.ocugen.com).

### **Cautionary Note on Forward-Looking Statements**

This press release contains forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995, which are subject to risks and uncertainties. We may, in some cases, use terms such as "predicts," "believes," "potential," "proposed," "continue," "estimates," "anticipates," "expects," "plans," "intends," "may," "could," "might," "will," "should" or other words that convey uncertainty of future events or outcomes to identify these forward-looking statements. Such statements are subject to numerous important factors, risks and uncertainties that may cause actual events or results to differ materially from our current expectations, such as risks and uncertainties regarding market and other conditions and the timing of our planned clinical trials. These and other risks and uncertainties are more fully described in our periodic filings with the Securities and Exchange Commission (the "SEC"), including the risk factors described in the section entitled "Risk Factors" in the quarterly and annual reports that we file with the SEC. Any forward-looking statements that we make in this press release speak only as of the date of this press release. Except as required by law, we assume no obligation to update forward-looking statements contained in this press release whether as a result of new information, future events or otherwise, after the date of this press release.
