Ocugen CEO to Present at NobleCon20 – Noble Capital Markets' 20th Annual Emerging Growth Equity Conference

November 27, 2024

MALVERN, Pa., Nov. 27, 2024 (GLOBE NEWSWIRE) -- Ocugen, Inc. (Ocugen or the Company) (NASDAQ: OCGN), a biotechnology company focused on discovering, developing, and commercializing novel gene and cell therapies, biologics, and vaccines, today announced that Dr. Shankar Musunuri, Chairman, CEO, and Co-Founder of Ocugen will present at NobleCon20 – Noble Capital Markets' 20 th Annual Emerging Growth Equity Conference at Florida Atlantic University, Executive Education Complex, in Boca Raton, FL—taking place December 3 - 4, 2024.

"Every year, NobleCon showcases emerging growth companies from a variety of industries to a relevant investor audience," said Dr. Musunuri. "I look forward to sharing an update on our clinical programs for attendees who may not yet be familiar with the Ocugen story."

Details regarding the presentation and moderated Q&A are as follows:

Date: Tuesday, December 3, 2024

Location: Presentation Room 3

Time: 1:30 p.m. ET

In addition to Dr. Musunuri's session, members of Ocugen's executive team will conduct one-on-one meetings with investors to highlight the Company's business and clinical development strategy across its unique modifier gene therapy platform.

A high-definition video webcast of the presentation will be available the following day in the Events section of the Company's website, and as part of a complete catalog of presentations available at Noble Capital Markets' Conference website and on Channelchek the investor portal created by Noble. The webcast will be archived on the Company's website, the NobleCon website, and Channelchek.com for 90 days following the event.

About Ocugen, Inc.
Ocugen, Inc. is a biotechnology company focused on discovering, developing, and commercializing novel gene and cell therapies, biologics, and vaccines that improve health and offer hope for patients across the globe. We are making an impact on patients' lives through courageous innovation —forging new scientific paths that harness our unique intellectual and human capital. Our breakthrough modifier gene therapy platform has the potential to treat multiple retinal diseases with a single product, and we are advancing research in infectious diseases to support public health and orthopedic diseases to address unmet medical needs. Discover more at www.ocugen.com and follow us on X and LinkedIn.

About Noble Capital Markets, Inc.
Established in 1984, Noble Capital Markets is an SEC / FINRA registered full-service investment bank and advisory firm with an award-winning research team and proprietary investor distribution platform. We deliver middle market expertise to entrepreneurs, corporations, financial sponsors, and investors. Over the past 40 years, Noble has raised billions of dollars for companies and published more than 45,000 equity research reports. Noble launched www.channelchek.com in 2018 - an investor community dedicated exclusively to public emerging growth and their industries. Channelchek is the first service to offer institutional-quality research to the public, for FREE at every level without a subscription. More than 7,000 public emerging growth companies are listed on the site, and content including equity research, webcasts, and industry articles.

Cautionary Note on Forward-Looking Statements
This press release contains forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995, which are subject to risks and uncertainties. We may, in some cases, use terms such as "predicts," "believes," "potential," "proposed," "continue," estimates," "anticipates," "expects," "plans," "intends," "may," "could," "might," "will," "should," or other words that convey uncertainty of future events or outcomes to identify these forward-looking statements. Such statements are subject to numerous important factors, risks, and uncertainties that may cause actual events or results to differ materially from our current expectations. These and other risks and uncertainties are more fully described in our periodic filings with the Securities and Exchange Commission (SEC), including the risk factors described in the section entitled "Risk Factors" in the quarterly and annual reports that we file with the SEC. Any forward-looking statements that we make in this press release speak only as of the date of this press release. Except as required by law, we assume no obligation to update forward-looking statements contained in this press release whether as a result of new information, future events, or otherwise, after the date of this press release.
